YOUR ATTENTION IS DRAWN TO CLAUSES 5, 6, 8 AND 13!

1. Quotations valid for 30 days from issue date unless by prior arrangement in writing by ACC Contracting. If you wish to extend the quotation period, please contact ACC Contracting.
2. Quotations are an approximate estimate of the total cost of carrying out the services detailed within and can be subject to change by ACC Contracting due to weather conditions, ground conditions, supplier's price change, hire cost increases/repairs or any other circumstances beyond the control of ACC Contracting without notice. ACC Contracting will endeavour to inform the customer or client before undertaking or continuing with work which may exceed the amount stated on any quotation supplied.
3. **ACC Contracting will not undertake work in areas to which livestock (including horse) have unrestrained access to for safety and insurance reasons. It is the customer's responsibility to ensure livestock (including horses) are secured or removed from the work area prior to the arrival of ACC Contracting.**
4. In the case of charges being applied as a daily or hourly rate, time from arrival on site to time of leaving site is invoiced at the daily / hourly (or part thereof) rate specified by ACC Contracting for that activity. Time spent waiting for livestock to be removed or secured from work areas, access to be granted to work areas or to water or electric supply, time spent cleaning work areas, or time spent waiting whilst work areas are cleaned (including 'poo picking'), will be invoiced at £25.00/hour or part thereof in addition.
5. **All work areas (particularly grassland) are to be cleared of debris or other objects (such as fencing or hosepipes) which have the potential to damage tractors or agricultural equipment prior to arrival. Any damage caused or repairs required to plant or equipment due to debris (whether concealed or not) or objects will be charged to customers at standard rates. If customers are unable to remove such debris or items from work areas, it is the customers responsibility to make plant operators aware of the presence and location of any such items or objects prior to work commencing to prevent damage.**
6. In the event of any work being cancelled due to circumstances outside the control of ACC Contracting, including inclement weather and deterioration in ground conditions, the customer or client is liable for any material, goods, transport and plant hire costs incurred by ACC Contracting related to the cancelled work on behalf of that customer or client. ACC Contracting will endeavour to minimise any costs or charges incurred as a result of cancelled works.
7. **Unless by prior arrangement in writing, payment to be made in full within 14 days of invoice date or by due date stated on invoice (whichever is sooner) by BACS or cash.
